JH Mission Trip 2009

July 19-24

STREET REACH MINISTRIES

PURPOSE

ABOUT STREET REACH

Who Street Reach Serves:

Street Reach is a 501(c) (3) non-profit ministry located in an impoverished area of north Memphis, Tennessee. For the children and youth living in this community, drugs, gangs, crime, and violence are not just stories seen on the news...they are a way of life. Almost every family has been impacted by some type of abuse and the results can be seen everywhere

What is Street Reach's Goal:

To provide a cross cultural short term mission experience for Christian mission groups, challenging them to grow spiritually by ministering to inner city families with **HANDS-ON** love and compassion.

Why Street Reach Does it:

The Lord wants us to reclaim our community. God speaks to all Christians in Isaiah 58:12, "*And those from among you will rebuild the ruins; you will raise up the foundations; and you will be called the repairer of the breach, the restorer of the streets in which to dwell.*" We believe the Lord has given us an opportunity to join Him.

Short Term Missions

Short-term mission trips are designed to take the purpose and vision of Calvary Youth Ministry beyond our walls to a needy world. Short-term mission trips are an opportunity to use your special gifts and talents to minister God's love to others.

Why Should I Go?

Short-term mission trips are a life-changing experiences for CYM Students. You will have the opportunity to minister to young inner city kids and show them the love Christ has shown you.
